DANIELSON AND PUTNAM NEWS.

DANIELSON

James Moore Entertains Ira Thomas—Old Brick Roundhouse Condemned—Death of Mrs. Ezekiel Potter.

Earl Pilling of the Massachusetts Institute of Technology is with his parents, Mr. and Mrs. George M. Pilling, for the holiday vacation.

Mrs. Alphonse Gareau will go to Canada to spend the New Year with relatives.

J. L. Costello of South Norwalk was a visitor in Danielson on Thursday.

Miss Emma Pilling is spending the holiday vacation with relatives in Danielson.

Miss Agnes Doyle, who is studying in a Worcester business college, is at her home in Danielson for the vacation period.

Mr. and Mrs. Alfred L. Reed will spend Christmas with relatives at West Medford, Mass.

Mrs. Charles T. Thayer and daughter Katherine spent Thursday at their home in Putnam.

Lester Bill of the Worcester Poly-

technic Institute is spending the holiday recess with his parents, Judge and Mrs. Arthur G. Bill.

Albert Vachon, who is studying at Grande Ligne, P. Q., is at his home in Danielson for the Christmas vacation.

Miss Regina Savaria and Miss Gertrude Jette of Montreal are with relatives in Danielson for the holiday season.

Mr. and Mrs. George Domingue, of Central Falls will spend Christmas with Mr. and Mrs. Napoleon Domingue.

Ira Thomas in Danielson.

Ira Thomas, catcher on the Philadelphia team of the American league, is spending the holidays in Danielson.

Mr. Thomas is a brother-in-law of James Moore of Water street and will be his guest during his stay in Danielson.

Big Tank for S. O.

A big steel tank to be used for the storage of gasoline by the Standard Oil company at their Danielson station was unloaded from a car in the local freight yard Thursday morning. The tank was loaded on a dory and taken to the place

where it is to be located on Mechanic street by three pairs of horses. The tank is thirty feet in height and six feet in diameter. Its weight is about ten tons.

Old Roundhouse to Be Towed Down.

An order has been received at the Danielson station of the New York, New Haven and Hartford Railroad company giving instructions that the old brick roundhouse which stands at the north end of the station be razed, the work of tearing down the old building will begin in a few days. It was formerly a water station, but has not been used for that purpose for years. When the building is removed another improvement in the appearance of that fast changing section of the town will have been made.

Will Go Home for the Holiday.

All of the workmen employed on the construction of the sewer through the streets in the south part of the borough will suspend work today (Friday) in order that they may go to their homes to spend the holiday. A majority of the men live in Hartford. The men will return on Monday to finish such parts of the contract work as has been commenced. It has been decided that the sewer is not to be finished until after spring opens. There is now nearly two feet of frost in the ground and because of this fact and the cold weather the progress of the work is being hampered. The men will probably complete the work they are to do this winter by Thursday night of next week. The sewer is still to be extended through Water street. The work would have been finished this season but for the fact that sixteen carloads of tile pipe, was delayed three weeks in arriving here by being mislaid to Hartford, where it was finally located.

CHRISTMAS MAIL

Unusually Heavy in Both Directions—Clerks Overworked.

An avalanche of mail matter buried the clerks in the postoffice in a mass of work on Thursday, and it is expected that conditions will not improve, but, rather, grow worse today. It was a very tired office force that went home after yesterday's labors. Improved tables have been placed in the office just back of the boxes and such packages as cannot be placed in the boxes are being systematically distributed so that they may be quickly located and delivered when called for by the person to whom they are addressed. The amount of Saturday Christmas mail that is being received would indicate that prosperity is abounding in all parts of the country. The outgoing mails are also very heavy, extra sacks being sent out on every train.

OBITUARY.

Mrs. Ezekiel Potter, formerly Amanda Pratt, died Wednesday night. She is survived by her husband, a resident of this town, by a daughter, a son, Alfred, who has been in the navy, and by a brother, who is a resident of Providence.

Holiday Observance.

Business will be generally suspended during Saturday, a majority of the stores having arranged to close the greater part of the day. The mills will close tonight until Monday and factories in town will also be idle. There will be many home-comers to-night and preparations for their entertainment are completed.

Cigars for Firemen.

The members of the various companies of the fire department will smoke some good cigars tomorrow, when the regulars will be presented some choice Havanas with the compliments of Amos H. Armington, formerly warden of the borough. Chief A. P. Woodward distributed to each company a sack company to the foremen on Thursday and they in turn will give them out tonight and tomorrow. Mr. Armington takes a lively interest in the fire department.

Excursionists Northbound.

An excursion party to Canada numbering many French-Canadians from Connecticut is to leave Worcester next Thursday. They will be several Danielson people in the party.

PUTNAM

Holiday Home-Comers—Applications for Divorce—Edwin Pepin, 7, May Die from Burns—Pupils Aid Towards Dinner for Poor.

Walter B. Atwood is to leave Putnam Monday for Manchester, N. H., where he will engage in the plumbing business.

F. Walden Wright left Putnam on Thursday to spend the holiday at his home in New Haven.

Walter Gan, who has been spending the autumn months at Saranac Lake, is at his home in Putnam for the holidays.

Donald B. McMillan, one of the Peary Arctic party, is to give a lecture on Peary's Trip to the Pole at the Tourtellotte High school, North Grovesdale.

Frank B. McDonald of Attleboro called on friends in Putnam on Thursday.

Miss Isabelle Morrell of the Finch school, New York, is with her parents, Dr. and Mrs. F. A. Morrell, for the holidays.

Miss Louise Sweet of the University of Syracuse is at her home in this city. Notre Dame Academy will reopen for the winter term on January 5.

St. Mary's parochial school is closed for the holiday recess.

Suits for Divorce.

Sophia Morency has filed with the clerk of the superior court for Windham an application for divorce from Joseph Morency. The defendant is absent from the state, gone to parts unknown. Application for divorce has also been filed by Jacob P. Leach from Della Leach, now of Pawtucket, R. I.

Reached Both Hands for Souvenir.

In the natural course of events incident to his generosity in giving out little novelties, "Souvenir" W. H. Taylor meets with some queer experiences. Thursday he was riding on a car between Putnam and Danielson. He had his holiday pocket full of souvenirs with him, and the passengers were all tendered a little remembrance, which all but one happily received. The exception, an elderly man, sitting quietly in his seat, did not refuse the gift of a pretty card inscribed Merry Christmas, but reached out both hands to receive it. He did this of necessity, for about his wrists were clamped a pair of handcuffs. The man was a prisoner on his way, in charge of an officer, to spend the holiday at Brooklyn jail.

Local Interest in New Federal Liquor Law.

Local liquor dealers are interested in a new federal law, enacted at the last session of congress, which becomes effective with the beginning of the new year. The law, which probably injures the mail order business of houses outside of Connecticut, provides that "No railroad company or carrier shall ship liquor into prohibition territory to other than the consignee. Violation of this section is punishable by a fine of \$5,000 and two years imprisonment, or both." Each package must contain the name of the person to whom it is shipped, the kind of liquor which it contains, and the quantity, such markings to appear on the outside of the package. Otherwise it will be condemned. It will probably put an end to certain irregular practices and mail interference with express companies' interstate shipments.

GENEROUS PUPILS

Provide for Salvation Army Dinner for Poor.

The students in the Israel Putnam graded school are not successful in sa-

verous intent and practice toward the poor of their city by any of the school children of Connecticut. Captain A. E. Wilcox of the Salvation Army has received from the pupils of this school a remarkable and substantial testimonial of their interest in the good work he is doing for the unfortunate in Putnam. They have given him two express wagon loads of vegetables, apples, preserves, clothing, etc., to be distributed to the poor on Christmas and later in the winter. The big gift includes several bushels of potatoes and apples, supplies that are costing high prices this year. The children brought the gifts from their homes to the school, and the collection made a big showing. There will be more happiness in Putnam tomorrow because of this generous aid from an unlooked-for source.

M. E. Sunday School Official Board.

The following are the newly elected officers of the Sunday school board of the Methodist church: Superintendent, D. B. Gilbert; secretary, Harry Coville; assistant secretary, E. N. Gimore; treasurer, E. L. Wood; chorister, Mrs. C. E. Heath; librarian, Miss Kate Scott; superintendent of primary department, Mrs. Foster; superintendent of cradle roll, Mrs. John Berry.

Progress on Hospital Wing.

The brickwork of the addition to the Day-Kimball hospital is advancing steadily and is up to a height where the arches are to be placed by the second story. One more story is to be built. It is expected that the brickwork will be completed in about three weeks. The new wing will greatly increase the facilities of the hospital to care for patients.

HORRIBLY BURNED.

Edmond Pepin's Clothes Caught from Bonfire.

Edmond Pepin, 7, son of Mr. and Mrs. Thomas Pepin, was probably fatally burned Thursday afternoon. He was one of a party of several boys skating on a small pond near St. Mary's cemetery. The boys lighted a fire to help in keeping warm, and the flames spread into the long, dry grass. Fearing that the fire would get beyond control, the boys tried to stamp it out. While doing this young Pepin's clothing caught fire, and before he could be helped he lay on his back, his body was shriveled from head to foot. As the little fellow ran his blazing clothing communicated the flames to the grass about him, increasing his danger.

Dr. Omer Larue was called after the boy had been taken to the home of his grandfather, on Lamont street, and did everything possible to relieve his sufferings. Thursday night the boy was not expected to live.

NEWEST SCHOOL

Closes Term—Pupils Attaining Highest Averages—Perfect Attendance for December.

The newest school closed Friday for the Christmas vacation. Pupils having the highest average for the fall term were: Albert Bredlow 96, George Bredlow 92. Those perfect in attendance for the same time were: George Bredlow, Albert Bredlow, Willie Budeit, Lizzie Budeit, Fred Budeit, Yvonne Guillotte, Theodore Kendall, Curtis Kinne, Arthur Kinne, and Helen Kinne. DON'T WORRY;

It Makes Wrinkles.

Worry over ill-health does you no good, and merely causes wrinkles, that make you look older than you are.

If you are sick, don't worry, but go about it to make yourself well. To do this we repeat the words of thousands of other former sufferers from womanly ills, similar to yours, when we say,

Take Viburn-O.

It is a wonderful female remedy, as you will admit if you try it.

Directions for its use are printed in the languages with every bottle. Price \$1.25 at druggists.
